DAILY PUBLIC LEDGER—1890.

MAYSVILLE, KY., TUESDAY, FEBRUARY 3, 1903.

Four cars, a caboose and an engine were wrecked near Marmet, W. Va., on the C. and O. last Thursday night, the result of a rear-end collision. The second section of No. 90 crashed into the first section of the same train.

The Directors of the Young Men's Christian Association of this city have extended a call to Mr. Raymond Brown of Bena Vista, Va., to become General Secretary. Mr. H. E. Montague of Louisville, called a few weeks since, declined the offer.

Captain Charles W. Erdman of Louisville, who was Consul at Stockholm, Sweden, and Brunswick, Germany, under Harrison, and at Breslau, Germany, under McKinley, is in Washington asking an appointment to some post in Germany under Roosevelt.

Mason county had three successful candidates who passed Internal Revenue service examination in Lexington in October last—Mr. Preston D. Wells of this city, with an average of 75.85; William C. Sipe of Sardis, 87.25, and Charles T. Asbury of Fernleaf, 82.45.

The Ministers' Union met at the Central Presbyterian Church yesterday morning, with Revs. John Barbour, J. C. Evans, Maurice Waller, H. T. Musaelman, E. G. B. Mann and J. C. Molloy present. A very entertaining discussion of the state of religion in Maysville and this section of the state was participated in by all present. Various methods of developing a more general interest among the members in the work of the churches were considered at length. It is possible some definite plan of union effort may result.

**"OLD ARKANSAW" TONIGHT.**  
"Old Arkansaw" is the attraction at Washington Opera-house tonight. The scenic effects are elaborate and many new mechanical effects have been introduced this season. The company is a good one and one of the best popular price Company's on the road.

## ROBBERS LANDED.

**Men Who Perpetrated Mt. Gilead Shooting Now in Jail.**

Thomas Manns, Charles Sanford and Charles Morris, all colored, are now languishing in Jail in this city to answer for the attack made Sunday night on Mr. and Mrs. John B. Farrow of Mt. Gilead, as detailed in yesterday's paper.

The trio was arrested last night, the two former about 10 o'clock and the latter at 1:30 this morning.

After being jailed Sanford made a statement of the shooting.

They secured their buggy Sunday from the stable of Mr. Joseph H. Brown, and going to Mt. Gilead got in their vicious work as before noted.

Sanford claims that Manns fired the first shot at Mr. Farrow, and that on leaving the house some one fired a second shot.

The men returned to Maysville immediately after the shooting and were here until arrested.

Taking into consideration the meager clues on which they had to work, the Maysville police did very creditable work in getting the parties in so short a time.

The reward for their capture had been increased to \$500.

**The Easy Pill.**  
DeWitt's Little Early Risers do not gripe nor weaken the system. They cure biliousness, jaundice, constipation and inactive livers by arousing the secretions, moving the bowels gently yet effectively, and giving such tone and strength to the glands of the stomach, liver and bowels that the cause of the trouble is removed entirely. These famous Little Early Risers exert a decided tonic effect upon the organs involved, and if their use is continued for a few days there will be no return of the trouble. J. J. Wood & Son.
